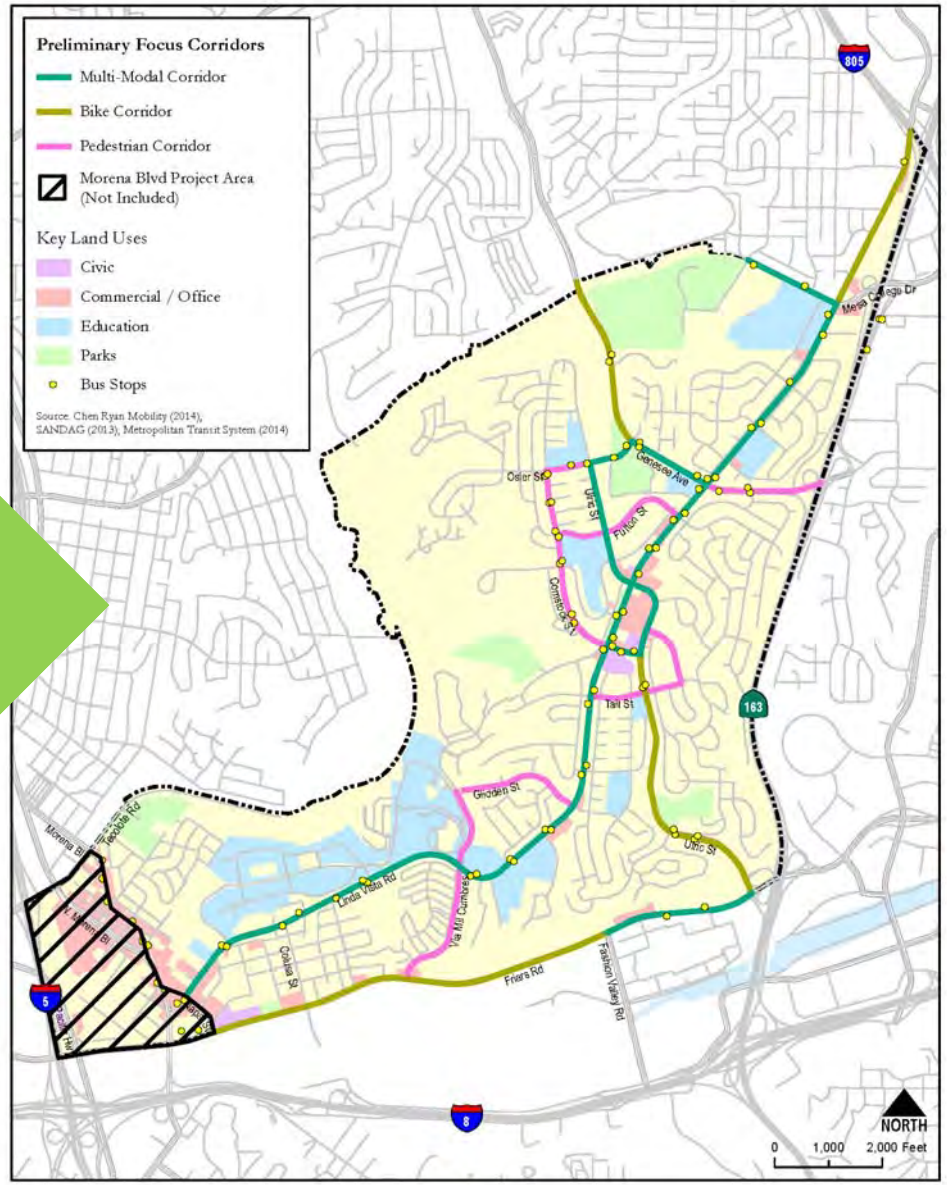
Bicycle and Pedestrian Demand Scores Along Roadway Segments

CHEN RYAN

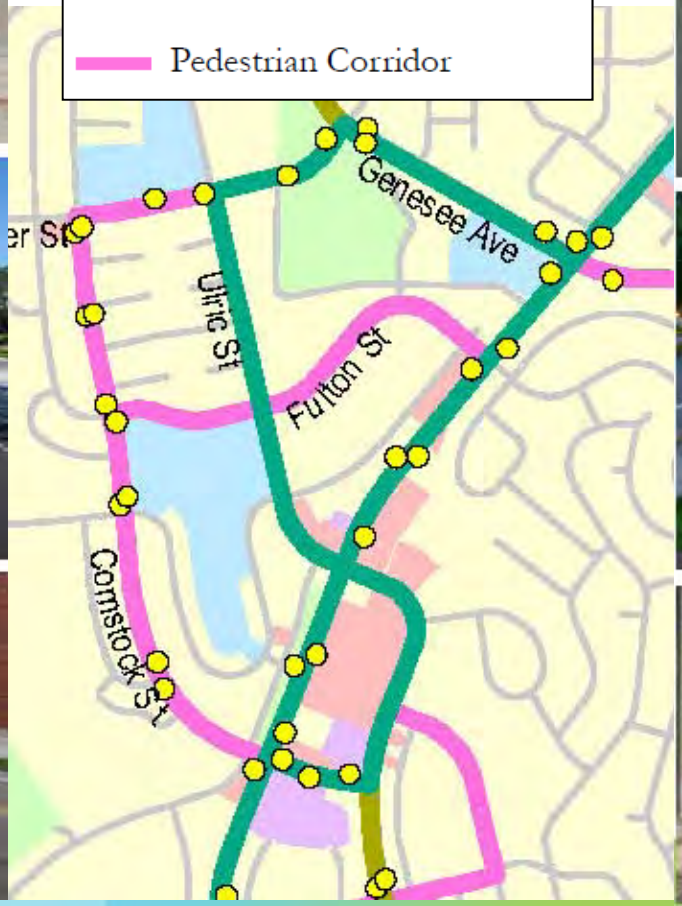
Preliminary Focus Corridors

DATA COMPONENTS:

- Existing facilities
- Bicycle Demand
- Bicycle Propensity
- Pedestrian Demand
- Pedestrian Propensity
- Transit Locations
- Accident Data



Focus Corridors = Priority areas with emphasis on ped, bike, or multi-modal improvements



Post-It Note Exercise

What would encourage you to walk or bike more?

I would WALK more if…

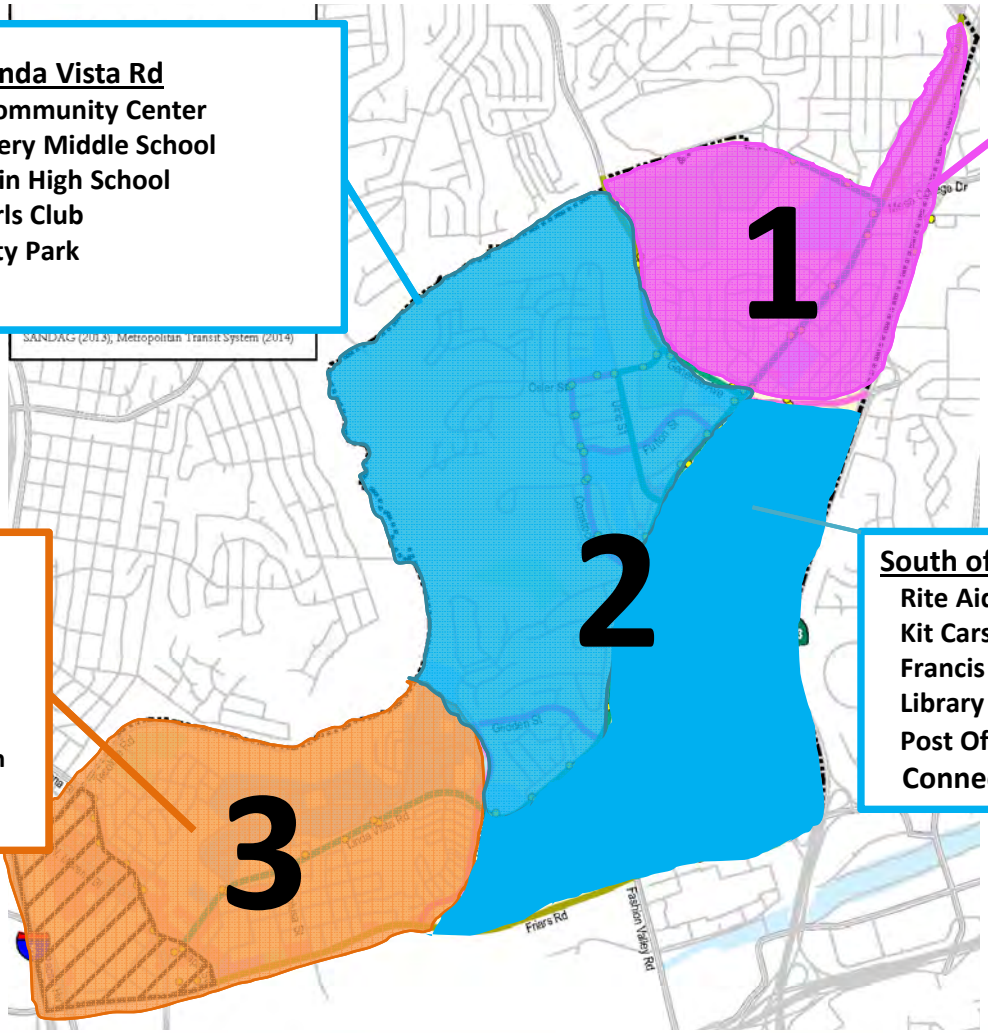
General Comments

I would BIKE more if…

Write down one idea per post-it and place on wall

Write as many ideas as you can think of

Table Groups



North of Linda Vista Rd
- Bayside Community Center
- Montgomery Middle School
- Mark Twain High School
- Boys & Girls Club
- Community Park

North/East of Genesee
- Kearny High
- Rec Center
- K Sandwiches
- Connection to Convoy
- Connection to Clairemont

West of Via Las Cumbres
- USD
- Morena District*
- Connection to Mission Bay

*Not a Part per Morena Station Area Plan

South of Linda Vista Rd
- Rite Aid/Thuan Phat Shopping Plaza
- Kit Carson School
- Francis Parker School
- Library
- Post Office
- Connection to Mission Valley

Pedestrian Corridor

Prioritizes improvements that emphasize the quality of the walking experience. This may include:

- adding or widening sidewalks
- creating landscape buffers
- improvements to crosswalks
- posting signage
- installing curb extensions
- adding street lights
- installing amenities like benches
- adding curb ramps

Crosswalks

Flashing Signs

Curb Extensions

Street Lighting

Wider Sidewalks or Landscaping

Bicycle Corridor

Prioritizes improvements that emphasize the quality of the bicycling experience. This may include:

- adding bike lanes or paths
- adding a barrier/buffer between cars
- posting signage
- installing amenities like bike racks/parking
- using colorized striping

Bike Lanes

"Sharrows"

Buffered and/or Green Bike Lanes

Bike Signage

Bike Racks

Multi-Modal Corridor

Prioritizes improvements to multiple modes of travel, including pedestrians, bicyclists, and transit. This could include features from the pedestrian and bicycle lists, in addition to transit improvements, which may include:

- adding bus shelters
- more lighting
- signage/route maps

Bus Stop Shelters

Signage/Maps

Bus Stop Lighting

Seating
